

Choir Robes.

Thank you to Miss Trice who has been undertaking the mammoth task of making robes for our school choir. With 70 choir members we now realise, that despite lots of parents helping, the huge task we set ourselves is almost impossible! However, we have done our best and completed as many as possible, and whilst we appreciate that not all members will get to wear a robe at the same time, all choir members will wear a robe at some point!

Sun Cream

During this hot weather, please can we ask parents to apply sun cream to children before they come to school in the morning and to please send them in with a water bottle and hat to protect their faces from the sun.

We are lucky to have such a large field with trees providing some protection from the sun, but it is always better to be safe than sorry.

Thank you

Mountbatten Report

By James Ferrier

From the 9th June to the 13th, most students in years 5 & 6 got the pleasure of going on residential with Mrs. Tustain, Mrs Baxter, Mrs Alford and Mr. Secker for 5 action-packed days!

Mountbatten was a great experience for all. Featuring various team building exercises, climbing, abseiling, kayaking, archery, canoeing, den building, a Great Egg Challenge*, amazing food and even people who either wears speedos over pyjamas or constantly yodels!

I absolutely recommend this to anyone who is considering this as an option in their future at this school. Just make sure you have plenty of sun cream.

*The Great Egg Challenge was a challenge in which you had to answer questions, the answers being dotted around the island. Then each answer was worth points. The more points, the more money you get. Then you could spend your money on parts to make a capsule in which you would insert an egg so that when it was dropped from a tower, it would not crack.

School Games Day 2018

On the 24th May 2018 was our annual School Games Day, where each house team competed to earn their team points, whilst showing the six School Games values: determination, passion, respect, honesty, self-belief and teamwork. Blues won in 2015, Greens in 2016 and Yellows in 2017. In the morning was the team games, where we were split into groups to complete challenges to win points for their team. Everyone had great fun! Then in the afternoon, we competed in a variety of flat races.

So who won?

The results were as follows:

1st - Yellow (Cann Woods) 2155

2nd - Green (Cadover) 1820

3rd - Blue (Saltram) 1729

4th - Red (Plymbridge) 1630

Congratulations Yellows!

Ivybridge Primary Movement & Sports Skills Programme

Summer Primary Movement & Sport Skills programme
running every Tuesday 10-2pm throughout the Summer Holidays

w/c 23rd July - w/c 27th August 2018
at Ivybridge Community College

We have developed our Sport Academy framework to incorporate a Primary age programme to equip young students with the insight to our sport academy resources and to develop the skills for young students for a physically healthy lifestyle and tools for developing sports skills for success in the future. It has evolved over the last few months where parents have joined their children in continuing their own Physical Literacy journey.

The sessions are open to all interested students from Year 3 to Year 6.
The cost is £40 for the whole summer sessions.

We look forward to welcoming your students in July & August.

Please contact Andy Taylor
